By Jackie Cooper I was thrilled and inspired as I looked through the pages of this coloring book, every illustration is imaginative and artistic, many of the patterns and designs are complex and intricately detailed, sprinkled throughout the book are simpler whimsical illustrations with soul stirring biblical verses incorporated in surprising ways. At the end of the book are 16 additional pages of gift tags, book marks, note cards and small cards to color and cut out. This is a wonderful coloring book to add to your coloring library, or to give as a gift and it adds another element to the coloring experience with its uplifting messages of faith. Grab your colored pencils, markers or pens and this book when you need to slow down from the hustle and bustle of our fast paced world. Coloring for even a few minutes engages the creative side of your brain, replaces the stress with a feeling of calm and a sense of well being, add to that an uplifting message of faith and you will feel revitalized. 1. This coloring book is a well made coloring book, the cover is heavy cardstock and each page is good quality heavy paper, printed one per page (the back of each page is left blank) on bright white paper.4. Each page is perforated for easy removal5. With Fiskars Gel pens and Staedtler Triplus Fineliners Fibre Tips there was very little bleed through but a page should be put under the page you are coloring to prevent damage to the next picture.6. Most of the illustrations are very detailed, some are simply detailed whimsical illustrations with uplifting verses, some are full paged meticulously detailed patterns and designs.46 of 47 people found the following review helpful. Thick paper, beautiful artwork, 150+ pages-- what a deal!By SheilajvpI've been looking for an adult Christian coloring book, but most only have 30-50 pages. Since we are on a tight budget I thought I'd give this one a try, and wow, was i impressed! The weight of the paper is probably 80lb cover and the pages tear out nicely. For the price I expected thin, flimsy pages, so this was a pleasant surprise!In the back of the book they also have personalized cards bookmarks to color/decorate. Nearly 200 pages in all!**Note: If using markers, make sure you buy both fine tip ultra fine tip for the small details -- and tear the page out and place cardboard under it. The paper is so thick I don't think you'd have to, but it's better to be safe than sorry!My husband son saw me coloring and they joined in too-- great family activity or solo de-stressing hobby!! I turn on my Christian worship music colored pencils, and the cares of the world just melt away! I'd recommend this to all my friends family.45 of 47 people found the following review helpful. Wonderful coloring book for teens and adults!By Stones04I'm in love with this book! I have several adult level coloring books and this is my favorite. I love that the pages are printed on one side and perforated for easy display. I also love that there are several pages in back of cards and gift tags. There are pretty pictures throughout that just call for me to color them and some have wonderful quotes or scriptures integrated in the design.

Clear the table, get out your colored pencils and experience the joy of coloring again. Invite others to join you - the perforated pages make this a shareable pastime. Chock full of kaleidoscopic patterns, wallpaper style designs and delightful and whimsical inked drawings that beg to be filled with your colors. The book is bound in glossy heavy-duty stock.Perforated One-Side Printed Sturdy PagesDesigned for Fun, Serenity, Calmness Quiet InspirationIncludes Gift Tags, Bookmarks Cards to ColorPresentation Page for Gift-GivingSprinkles of Scripture Here There8 1/2 x 11 Inch
