Cyril Hobbins : Traditional Wooden Toys: Their History and How to Make Them before purchasing it in order to gage whether or not it would be worth my time, and all praised Traditional Wooden Toys: Their History and How to Make Them:

0 of 0 people found the following review helpful. Best Book on Wooden ToysBy Stevanne AuerbachExcellent resource about wooden toys for anyone with an interest in primary playthings. Provides plenty of details and valued information0 of 0 people found the following review helpful. Grab a kid and spend the day having funBy Robin LippmanThis book has lots and lots of fun things to make. Nothing is too terribly hard to do. Is a really fun book0 of 0 people found the following review helpful. No plans, no real drawings, just cute picturesBy Mary T.Sorry i PAID FOR THIS. I was looking for plans, none were in this marginal "book"Good for a high school term paper

Including a wide range of toys, dolls, and games from around the world, this guide includes a general introduction to the history of toymaking and a substantial amount of historical information on a wide variety of toys, including

spinning tops, poseable dolls, and 19th-century tumbler toys. Featured toys are richly illustrated with watercolor illustrations and supplemented with instructions on how to create them. This comprehensive resource for woodworkers and those interested in the history of toys includes information on the tools and materials necessary for the toy workshop and how to set-up and maintain a toymaking business venture.

"A good addition to crafts or folk art collections." *Library Journal*
