Taylor Taylor : Ultimate Guide to Longarm Machine Quilti: How to Use ANY Longarm Machine Techniques, Patterns Pantographs Starting a Business Hiring a Longarm Machine Quilter before purchasing it in order to gage whether or not it would be worth my time, and all praised Ultimate Guide to Longarm Machine Quilti: How to Use ANY Longarm Machine Techniques, Patterns Pantographs Starting a Business Hiring a Longarm Machine Quilter:

2 of 2 people found the following review helpful. doing amazing feathers is what compelled me to get a Gammill ...By

Cheyenne Ann tells me I bought this book 8 years and 1 day ago. This book is my go-to whenever I can't remember how to do something on my longarm. It will open automatically to the "how to load a quilt" section because at first that's what I needed. Every. Single. Time. I still refer to it. Honestly, if you are new to longarm quilting, this is a must have reference. I wish Linda would write another book. She's the authority on Gammill longarms. Seeing her on PBS years ago, doing amazing feathers is what compelled me to get a Gammill of my own. 2 of 2 people found the following review helpful. Five Stars By PatMcC If you are a new longarm quilter this is the book for you!!!! 1 of 1 people found the following review helpful. Way Underrated. This book is GREAT!!! By Rollin Even though out of print, this is a great book! I am so happy that I got it, as it has saved me tons of time and effort. The book expertly walks one through many of the aspects of quilting on a longarm. I hope the author updates it and republishes!

Learn the basics of longarm quilting and longarm machines, plus the business of quilting and great new quilting designs!

April 03 This comprehensive guide covers all aspects of working with a longarm machine, including, choosing the machine, setting it up, quilting techniques, custom quilting and establishing a quilting business...highly recommended... Library Journal, USA March 11 There are a staggering 150 patterns in this book for hand and machine work, offering tips and techniques for both. It is the culmination of the author's work for the last 20 years and she offers you her knowledge and expertise in applique. Fabrications About the Author Linda V. Taylor is one of the movers and shakers of the longarm quilting industry. She teaches weekend retreats at her own studio/bed-and-breakfast facility. Linda lives in Melissa, Texas.
